

Trading Cards

To play:

Step 1:

- Everyone picks up a folded question page from the center of the table and leaves it folded.
- Once the music starts to play pass or trade the papers between the players. When the music stops each player should have one question sheet. Open the paper and answer the question on the corresponding object.
- Put the object/answer aside. Continue to trade cards again as music plays. Once the music stops repeat the process.

Step 2:

- Take your information to the data posters and place your answers accordingly. Be prepared to think!!

Step 3:

- Refer to the one word summary paper
